

## **MD Tiling**

### Description:

MD Tiling is a family run business with an excellent reputation for quality and service.

As a member of the "Guild of Master Craftsmen"™ our quality of service is not only excellent, but guaranteed.

Full tiling service available from kitchens and bathrooms, to large scale commercial and industrial projects.

No job too big or too small. With over 10 years of expertise, MD Tiling continues to produce quality work and craftsmanship time and time again.

### Services include

Wall and Floor tiling (Commercial, Industrial and Domestic)

Mosaics tiles

Natural stone work

New Ecopiedra cladding service available.

(See our before and after shots to the right)

Ecopiedra is fitted in days, rather than months

Ideal for renovations and giving your home that much needed facelift

Easy to install

Designed for interior AND exterior walls

For more details on tiling, or this revolutionary new Ecopiedra cladding contact MD Tiling today for a free no obligation quote.
